

Designated Funds

Designated funds simplify charitable giving. You set your charitable vision and we ensure your charitable legacy is fulfilled for generations to come. Donors preset the gift amount, the causes to support, and the timing of the gift to provide an annual means of sustainable funding to the organizations you select.

DESIGNATED FUNDS ARE:

PERSONAL

- Funds can be established in honor or in memory of a loved one. They can also be named to recognize your family.

ENDURING

- By providing annual support through a designated fund, you are making a continual impact for the charities of your choice.

FLEXIBLE

- You can make contributions to your fund at any time. The Community Foundation can facilitate a variety of gift types including cash, stock, real estate, and other complex gifts.

EFFICIENT

- You benefit from the most advantageous tax treatment for a charitable gift and the Community Foundation handles the administrative details.

FINANCIAL FACTS:

- A designated fund can be established in any amount.
- You can grow your charitable assets as your fund is combined with other Community Foundation funds into professionally managed portfolios. This allows greater diversification of investments and access to a variety of investment vehicles.
- Each fund is charged an administrative fee based on the type and size of the investment.
