NOTE: We encourage our sponsors to pay via card, check or cash rather than transferring money from a donor-advised fund to avoid any potential conflicts with IRS regulations. The IRS does not look favorably upon using DAFs to pay for sponsorships, though it is not expressly prohibited. If you are interested in learning more about using your DAF to support the Partnering for Good series, contact Stacey Bell, Chief Financial Officer, to talk about your options: sbell@cfpbmc.org.
